Meet Patriots Robert and Joeylynn Mesaros.

Joeylynn is a stay-at-home mom who homeschools her son and Robert is a plumber.

The Mesaroses are being sued by Biden-Harris campaign staff and Democrat politicians/influencers under the KKK Law of 1871 for flying Trump flags next to the Biden Bus during the 2020 election. Plaintiffs claim the couple banded together on a public highway to suppress minority voter rights, which is a malicious lie.

The Mesaroses are fundraising to pay hundreds of thousands of dollars in legal fees as they go through the federal court system to defend their First Amendment right to exercise free speech. They have already cashed out their 401K and depleted their savings account. Additionally, the couple is assigned to an Obama-appointed judge who has ruled the case will go to trial, despite their best efforts to get the frivolous case dismissed.

Robert and Joeylynn have an optimistic attitude amidst the oppression as they believe God has called their family to boldly stand up in the face of tyranny to maintain our God-given freedoms for generations to come.

Thank you for being part of the good fight.
